

To book Susan Mogensen to speak at your next conference, call 1-877-847-4552

Presentation Topics:

- *Seven Shocking Secrets Boards (and everyone) Show Know*: Susan debunks common myths about the role of boards and illustrates seven revolutionary concepts that can radically improve organizational effectiveness.
- *C'mon, Let's Save the World*: Taking a broad view of governance and the role it plays in people's lives, Susan explores how individuals can make a difference.
- *Parliamentary Renovations: Time for a New & Improved Democracy* A historical look at democracy, where it is today, what it might look like tomorrow, and why we should care.
- *Have it All! How to Maximize Freedom AND Accountability*: While corporate meltdowns and bank failures have regulators tightening up the rules, what happens to freedom, empowerment, and innovation? Learn how freedom and accountability can thrive in the same place, at the same time.
- *What is Governance, Anyway?* A lot of people are talking about it, but does anybody really know or agree on what it is? (possible panel or debate topic)
- Related topics customized for your audience

- 12-year career with the Parliament of Canada
- B.A. Honours (Political Science), Carleton University

What they are saying:

"Susan Mogensen is the best storyteller I've ever heard. Her style is low-key, but her delivery is powerful. With her beautiful voice and carefully chosen words, Susan engages and delights the listener. While her stories are rich in entertainment, they also inform and inspire. If you want a speaker to make your next event memorable, hire Susan!"
– Sherry Jennings

"Quirky, humorous, touching – if you would not associate these qualities with a speaker who has some profoundly important things to say, engage Susan Mogensen and you are in for a great surprise!" – Caroline Oliver

"What I enjoy the most about listening to Susan is her easy, articulate delivery of very funny stories to connect real life with learning." – Susan Rogers
